At BronkanSports After School Programs, students learning plans are personalized to tailor to their needs. Our After School Programs use a Tracking System as a tool to monitor academic struggle and progress of the student as well as individualized learning plans to meet the student needs.

We want each student to be successful in school, on the field, at home and in life. Our personalized approach will help each student to develop good learning skills, good study habits and good character that will last a lifetime.

BronkanSports After School Programs will provide safe heaven to help keep kids and youth safe, improve academic achievement and help relieve the stresses on today's working families and the whole community. Our after-school programs help youth develop positive ways to avoid conflict and behavior problems and also serve as important youth and young adult's violence intervention and prevention.

**That Is What We Do!**

807 Broad Street – Box 23 Providence, RI 02907 For Information: Call 401-441-8575 / 603-3622 Fax: (267-695-5398)
